

HARRISONS GARDENWORLD

2023 DECIDUOUS CATALOGUE ORNAMENTALS AND FRUIT

Welcome to our Deciduous Ornamental Tree, Shrub and Fruit Tree Catalogue.

We are pleased to offer a sensational selection of high quality deciduous trees/shrubs and fruit trees. This year **Large Grade** trees are also available – please enquire at the garden centre for further information.

Deciduous plants provide interest in the garden throughout the year and are suitable for every garden - large or small. In the case of fruit trees there is also the added enjoyment of eating your own home-grown produce.

All of the trees and shrubs we supply are backed by our exclusive *Plant Performance GUARANTEE*.

Enclosed is our order form. Please note, it is advisable to order early as many varieties are in limited supply. All deciduous ornamental and fruit tree/shrub orders will be confirmed on a first in, first served basis.

If you are unable to find a particular plant in the catalogue, please do not hesitate to request it. Our plant finding service is very efficient!

Please feel free to seek our recommendations on the best choice of deciduous tree/shrub or fruit tree for your garden. We have an experienced team who are only too happy to help.

All orders placed are eligible for inclusion on your Harrisons Advantage Card.

Happy Gardening from your Team at Harrisons!

Plant Performance™ **GUARANTEE**

If within 12 months any plant purchased
from Harrisons fails to perform to your expectation
Please return it with proof of purchase.
We will happily replace it with any equivalent plant
to the same value.

PLANTING HINTS

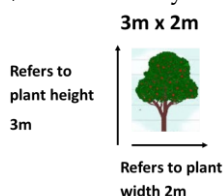

1. **SELECT YOUR SITE** - Suitable for the tree you have chosen.
2. **SITE PREPARATION** - Dig a hole large enough for the roots to be spread out without distortion and deep enough for the tree to be planted at the same depth as it has been in the Nursery. Add Ican Slow Food with the soil at the bottom of the hole and halfway when back filling the hole. This will provide up to 2 years continuous feeding. Prune back any damaged roots to sound wood.
3. **STAKING** - Insert a stake slightly off centre in the bottom of the hole and drive it in until secure. This will normally be 30-45cm (12-18in). Place the tree or the shrub in the centre of the hole, locating the stem 2.5cm (1in) from the stake, ensuring that the stake reaches only to the lowest branch. Ensure that the top of the stake does not interfere with the crown of the tree or shrub and adjust the height of the stake where necessary either by driving it deeper or by cutting off the top.
4. **PLANTING** - Spread the roots of the tree or shrub laterally and backfill with soil. Firm soil carefully to exclude air pockets, taking care not to damage the roots.
5. **PROTECTING THE TREE** - Where stems may be damaged by animals or machines, place a plastic tree guard around the stem or around the stem and stake. Secure the tree or shrub to the stake, using a tree-tie attached to the top of the stake no more than 2.5cm (1in) from the top. Additional ties may be necessary to stop the stem rubbing on the stake.
6. **PRUNING** - After having carried out steps 1 to 5 the most important phase of the tree's survival begins. Prune at least one third from the tree and always prune branches to an outside bud. The logic of pruning is simply that the roots have been cut, so a balance between branches and roots must be achieved to minimise stress on the plants.
7. **Never** plant your tree when ground conditions are not suitable, i.e. too wet - as this, along with the firming of the soil around the roots, forces the air from the soil and may cause root disease.

**Having carried out these seven steps - sit back and watch
your investment grow!**

ORNAMENTALS

ACER - JAPANESE MAPLES

Maples have an appeal for their various features; finely cut foliage, incredible autumn colour. In general terms, most Maples prefer reasonably sheltered positions with good free draining soils with a high organic content. Dappled shade is ideal for many, and while maples are very frost hardy they detest hot, dry, windy situations.

	Grade	Price
Acer p. Aratama This rare and desirable dwarf is slow growing with elegant thin branches. The five-lobed leaves begin as brick red in spring, turn purple, red and green in summer then finally turn gold and orange late autumn. 1.5x1.	Topiary	79.99
Acer p. Beni Hime True Dwarf reddish-green leaves, dense compact bush. Awesome topiary in a pot.	60cm std	79.99
Acer p. Bloodgood Small rounded tree with deep red foliage throughout the summer. Autumn foliage is brilliant crimson. Requires some shelter. 4x3m.	1.5m	79.99
Acer p. Chishio A slow growing small Maple suitable for town gardens or a special container. Flame pink leaves burst forth in spring gradually turning a more subdued green. The vivid pink red tones return in autumn. Very attractive and desirable. Protect from strong winds. Deciduous. Est.10yr.growth. 1.3x1m.	Topiary	79.99
Acer p. Earthfire A compact deciduous maple with a low-spreading form. Leaf lobes are deeply dissected and new growth is an unusual brownish red. Autumn colour ranges between orange and red. 2x1.5m.	Topiary	79.99
Acer p. dissectum Emerald Lace Deeper green than the normal green, lacy foliage, fast grower, very pendulous form. Vigorous growth. 3x2m.	60cm std	79.99
Acer p. Fireglow Intense red colour, ideal for hot sunny conditions. 4x3m.	120-150 std	79.99
Acer negundo Flamingo Varigated box wood elder. 2.5x4m.	90-120 std	79.99
Acer Japonicum Green Cascade Deeply dissect green leaves with amazing yellow autumn colour.	60cm	79.99
Acer diss. Green Mist A vigorous, cascading lace-leaf Japanese maple with soft green, deeply-cut leaves that provide a soft "misty" appearance. Fall colour is absolutely outstanding with blends of bright orange and red.	Topiary	79.99
Acer p. diss. Heartbeat Deeply dissected fine foliage that emerges red in spring slowly turning green often with red tips. Crimson autumn tones prior to leaf fall. Develops a broad mounding shape. Prefers a sheltered spot with deep cool soil. 1.5x2m.	H/W	79.99

	Grade	Price
Acer Katsura Treasured small maple with striking pale-yellow spring growth. Leaves are green through summer turning orange, yellow and red in autumn. 2.5x2m.	40/60 std	79.99
Acer p. Koto Ito Komachi Koto Ito Komachi means "harp strings", for its string like lobes. The leaf lobes on this tree are indeed among the narrowest of any cultivar. Some leaves may revert to wider form, then return to the narrow form the following year. Leaves are bright light green in summer and turn yellow in autumn. Best planted in a semi shade area. 1.5x1.5m.	Topiary	79.99
Acer diss. Moss Gold Deeply dissected leaves of a wonderful, mossy-gold colour in spring, picking up greener tinges in summer. Followed by oranges and reds in autumn. Lovely red stems contrast boldly with gold foliage.	H/W	79.99
Acer p. Murasaki Kyochime The leaves of this variety of the "Japanese Maple" are much smaller than usual. It forms a densely branched, small shrub growing to approximately 1.5-2M. It has light green leaves in spring with red margins. The leaves become a darker green in summer. The autumn colour is a blend of yellow and orange.	Topiary	79.99
Acer p. Omurayama Green leaves, cascading branches, epic autumn tones.	100cm	79.99
Acer p. Osakazuki Attractive seven lobed bright green young foliage, rich green through summer and colouring in autumn to fiery orange or crimson scarlet. Considered the most brilliant Japanese maple for autumn colour. 4x3m.	1.5m	79.99
Acer p. Oregon Sunset A small, neat, compact, rounded bush with a somewhat lax, branched, spreading habit. Graceful, bright red foliage deeply incised with lobed tips curving gracefully downwards. Having a most attractive informal appearance with autumn foliage tones of vivid red and orange.	Topiary	79.99
Acer p. dissectum Palmatifidum Bright green leaves small rounded tree.	1m std	79.99
Acer p. Pixie Like a miniature 'Bloodgood'. Vibrant, rich red new foliage, maturing to rich, dark blood-red. Brilliant scarlet in autumn. Hardy. Deciduous. Protect from wind. Full sun- part shade. 2x2m.	Topiary	79.99
Acer p. Red Emperor An upright growing small tree with very deep red to black-red leaves. Holds the deep colour right through the summer. Scarlet autumn colour. 4m.	40/60	79.99
Acer rubrum Red Sunset Forms a broad, columnar head of compact branches with larger than normal green leaves. Spectacular autumn colour of orange and crimson start from a young age on this tree. 10m	2m	79.99

	Grade	Price
Acer Rubrum Large, shining, dark-green leaves turn a rich scarlet-red in autumn. Small, red flowers in early to mid-spring. Great for streets, parks, or large gardens. Prefers moist, well-drained soils in full-sun.	2m	79.99
Acer p. dissectum Seiryu Lace Leaf Maple. Upright growing with finely dissected green foliage clothing gracefully arching branches. Autumn colours are soft yellows to gold. 3x2.5m.		79.99
Acer p. Shindeshojo In spring new leaves appear deep pinkish-crimson changing to reddish-green and then orange-red. A very striking small tree. 2.5x2m.	90/120	79.99
Acer p. Shiraz An unusual little Maple with multi-toned variegated foliage. When the new leaves first emerge in spring they are a striking crimson pink, as they mature they turn to olive green and silver. Excellent fiery red tones in autumn. Happiest protected from afternoon sun and strong wind.		79.99
Acer p. Wilsons Pink Dwarf Miniature habit bright pink to orange in Spring.	60cm	79.99
WEeping JAPANESE MAPLES		
Acer p. dissectum Crimson Queen A small spreading weeping form with scarlet-red stems. Retains leaf colour throughout the summer, turning fiery scarlet in autumn. 1x1m.	1m std	79.99
Acer p. dissectum Red Dragon Deep red cultivar, holds colour in sun or shade. Duncan & Davies selection.	60cm	79.99
Acer d. Tamukeyama Deep reddish purple foliage with a growth habit that is vigorous. 1.5x2m.	40-60cm	79.99
Acer p. dissectum Viridis New fresh, soft green spring foliage. Dissected leaves delicately lace-like turn lime-green in summer. Spectacular autumn tones of fiery gold and orange. Soft mounding habit. 1x1m.	1m std	79.99
ALBIZIA – SILK TREE		
Albizia julibrissin Rosea Good for a hot dry position, with rich green dainty ferny leaves, rounded fluffy brushes of pink stamens during the height of summer. 5x4m.	1.5m	69.99
Albizia julibrissin Red Silk Selected form of the Silk Tree bearing a profusion of carmine-red silky flowers. 5x4m	1.5m	69.99
ALNUS-ALDERS		
Extremely fast growing trees. They will grow anywhere (except right on the coast) and are particularly good in wet boggy areas.		

	Grade	Price
Alnus cordata – Italian Alder A splendid medium to large conical tree, very hardy. Will stand a wide range of conditions. Bright green glistening foliage. 10x5m.	1.5m	69.99
BETULA-BIRCHES A very well known and popular tree, most are noted for attractive bark and autumn colours. Male and female catkins are borne on the same tree. Most birches accept exposed situations and are very cold hardy. Moist but well drained soils are preferred while poorer soils are tolerated. Plant them as isolated specimens or in a small group.		
Betula Utilis Jacquemontii This form of the 'Himalayan Birch' has been selected for its very white bark. An attractive medium sized tree from West Nepal. 8x5m.	2m	99.99
Betula pendula Alba Easy to grow. Graceful birch, smooth grey-white bark and delicate, green lacy foliage. Looks great planted in a group. 7x6 in 10 years.	2m	74.99
Betula P. Japonica Similar to Silver Birch, but has bigger leaves and distinct white bark on the trunk. Lovely graceful specimen tree, slightly pendulous branches. Vibrant autumn colours. Very hardy.		69.99
Betula White Spire Like the famous Betula Utilis 'Silver Shadow' but with a more vigorous and upright fastigiated habit. Strikingly white trunk at an early age. 8x4m.	2m	99.99
CEDRELLA -TOON TREE Cedrella sinensis Flamingo - Chinese Toon Tree Straight upright branches carry the large ash-like leaves up to 60cm long, divided into 10 or more leaflets. Young growth beautiful shade of pink. Warm spot. Some shelter required. 5x2m.		
		59.99
CERCIS - REDBUDS AND JUDAS TREE Cercis canadensis Forest Pansy One of the most striking and sought after smaller trees. Leaves develop from deep wine red through deep purple in spring aging to deep bronzy green in summer. Takes on a spectacular blaze of reds in autumn. Pale, rose pink, pea shaped spring flowers. Very hardy and wind tolerant. 3x3m.		
		89.99
Cercis Ruby Falls Large heart shaped purple leaves. Attractive reddish-purple flowers. Characteristics: 'Ruby Falls' is a highly attractive weeping form of Cercis canadensis Forest Pansy .	1.5m std	89.99
CHIMONANTHUS - WINTERSWEET Chimonanthus praecox Waxy yellow flowers with centre purple markings. Delightfully scented. Hardy. 3x3m.		
	.75m	69.99
CORNUS - DOGWOOD Cornus alba sibirica Red barked Dogwood – Dark oval green leaves and creamy white flowers. Grown for coral-red stems that are revealed when leaves fall. Stunning planted in groups. Best in full sun. 1.5x1.5m.		
	.3m	69.99

	Grade	Price
Cornus florida Cherokee Sunset Green leaves with a lemon yellow margin. Large rosy-red blooms, bronze pink foliage in spring with autumn tones of pink red and purple. 3m.	.5m	89.99
Cornus Eddies White Wonder For many gardeners, this is the pick of the Dogwoods. Large white showy flower bracts in spring and fantastic red and orange autumn colour. 4x3m.	1.5m	89.99
Cornus Moonbeam A very showy small rounded tree with large white flowers up to 15cm across set above green foliage. Red fruit look lovely against the autumn foliage of crimson to purplish-red. 5m.	50/70 std	69.99
Cornus Rainbow Large, golden leaves are splashed with green and golden margins. Brilliant autumn leaves in hues of rainbow-pink to carmine-red and lavender-blue to purple-red. White flowers appear with the new leaves in spring. Excellent street tree. 3x2m.	.5m	89.99
Cornus Spring Song Round-headed tree with a slender trunk and spreading branches. Large, rose-pink, four-petalled, flat flowers in spring. Vivid autumn leaves of orange, red, and wine-purple.	50/70 std	69.99
DEUTZIA Deutzia Magicien Deutzia 'Magicien' provides a real spring display with its large pink flowers edged white with a purple underside. Forms a narrow upright shrub.	.25m	49.99
Deutzia rosea Carminea Deutzia x rosea Carminea is very hardy shrub with pink flowers flushed rose in late spring and summer. Prune after flowering.	.25m	49.99
FORSYTHIA Forsythia Lynwood Gold Light up the garden with the bright yellow flowers of this striking Forsythia. The flowers appear in early spring before the leaves. Excellent flowers for picking. Easy to grow in a sunny position. Prune after flowering. 2x2m.	.3m	59.99
GINGKO -MAIDENHAIR TREE Ginkgo Autumn Gold Selected male clone with a classically neat and broadly-conical form. A spectacular sight in autumn when the leaves turn bright-gold over many weeks before falling to create a carpet of gold. 7x5m.		69.99
Ginkgo biloba This hardy tree is highly prized for its beauty and unique appearance. It features distinctive leaves that are shaped like sections of maidenhair fern, providing a one-of-a-kind look to the landscape. In the autumn, the leaves turn a bright gold color over several weeks before falling to create a stunning carpet of gold on the ground. 7x5m.	1.5 std	69.99

	Grade	Price
Ginkgo biloba fastigiata A very neat upright male form. Good for confined places and small home gardens. Deep green distinctive maidenhair leaves with gorgeous autumn tones. Hardy. 6x2m	70/90	69.99
Ginkgo biloba Jade Butterflies Dwarf vase shaped Ginkgo with clumps of dark green leaves that look similar to a butterfly's wings. Wonderful butter yellow foliage in autumn. 3m.	40/50	69.99
GLEDITSIA Gleditsia Ruby Lace A selected form of Honey Locust with purplish young growth and greenish purple foliage through summer. Stands dry and full sun. 6x5m		89.99
Gleditsia triacanthos Sunburst Lacy feather foliage produced successively throughout summer, clear golden yellow young foliage, darkening to a rich green at maturity. A magnificent specimen tree that will withstand hot dry conditions. 6m	1.5m	89.99
IDESIA Idesia Polycarpa Kentucky Fry The Wonder Tree is particularly valued for the pendulous clusters of red berries that decorate the bare branches in winter. It is a lovely shade or specimen tree with inconspicuous yet fragrant flowers in summer, thick heart shaped green leaves and just a nice structure. Self-fertile	120/150	69.99
KOLKWITZIA Pink Cloud Forms a dense multi-branched shrub with its top stems gracefully arching. In November it is completely draped with masses of pale pink bells. Prune after each flowering. 4x3m.	.25m	49.99
LABURNUM - RAIN TREE Laburnum vossii - Golden Rain Tree In November, slender deep golden racemes of bloom up to 45cm long, hang through the leafless branches. A graceful specimen tree. 3m.	1.5m	69.99
LIQUIDAMBAR - SWEET GUMS Handsome trees with maple like leaves. One of the finest trees for autumn colour with moderate growth rate, good form, picturesque branch pattern and corky bark. Intense autumn colour.		
Liquidambar styraciflua - American Fruit Gum Forms a stately pyramidal tree with well spaced branches and rugged corky bark. Handsome shining dark green maple-like leaves changing in autumn to shades of red, orange, yellow and purple. 8x5m.	1.5m	69.99
Liquidambar styraciflua Gumball A special dwarf form that grows into a round ball. Vibrant autumn colours that last well into winter. 2x2m.	.75 std	69.99
Liquidambar styraciflua Lane Roberts A selected clone from England and most reliable for its rich black crimson-red colour in autumn. Smooth fine bark. Upright conical form. 8x5m.		79.99

	Grade	Price
Liquidambar Worplesdon Upright pyramidal form with outer branches gracefully drooping. Finely cut leaves give a brilliant display of yellow, orange and scarlet. 8x5m.		79.99
MAGNOLIA They are the most magnificent of flowering trees. Flowers are showy, solitary, and some are fragrant cup, goblet or star shaped. They appear before the leaves in most deciduous magnolia's, requiring a sheltered spot. Magnolia's require fertile, humus rich, well drained soils that are moisture retentive.		
Magnolia Black Tulip A smaller growing compact tree with magnificent, goblet-shaped blooms in a stunning red-black. Note that the flowers may not be true to form and customers should be advised that it can take a year or two to settle in. A wonderful tree for an garden situation. 3.5x2.5m.		89.99
Magnolia Brixton Belle Large cup and saucer bright pure pink flowers with creamy inners. Flowers from the first year in tremendous abandon. A neat spreading tree, suited to the smaller garden. Mid-season flowering. 4m	90/120	89.99
Magnolia David Clulow Goblet shaped white scented blooms. Upright tree. 4m. Reported to be one of the best white magnolias. Upright tree 4m.		89.99
Magnolia Denudata - The Lily Tree This rounded tree is covered with fragrant pure white cup-shaped flowers in early spring. 5x4m.		89.99
Magnolia Felix Jury Enormous, superb flowers open red and turn rosy pink. A spectacular sight in early spring when the compact tree will be covered in hundreds of blooms. The flowers have the added bonus of being highly fragrant. 5x3m.		89.99
Magnolia Genie Recent Release. Genie is a medium sized, well branched tree. Deep burgundy-black buds open to medium sized cup shaped flowers of burgundy red. Flowers from an early age. 4m.		89.99
Magnolia denudate Gere Late flowering selection of the species. Pure white flowers on small to medium sized upright tree. 4m.		89.99
Magnolia Heaven Scent Upright grower with upright pastel lavender-pink blooms, toned more softly towards the tips with white interiors. Unique colour, strongly fragrant. 4x2.5m.	1m	89.99
Magnolia Honey Tulip Another drop dead gorgeous hybrid from the Jury breeding programme. Large rounded goblet shaped blooms in a soft shade of honey yellow. The petals are of good substance and the flowers appear early spring on bare branches. Plant in a sheltered position in acid soil for best results. 6x4m.		89.99

	Grade	Price
Magnolia Hot Flash Deep yellow flowers with a rose flushed base. Narrow petals forming tall flower blooms opening just as foliage begins to emerge. Strong attractive foliage on an upright tree. 9m.	1m	89.99
Magnolia Iolanthe From early spring very large bowl shaped rose-pink blooms appear with a creamy white interior. A magnificent variety. 4x5m.	1m	89.99
Magnolia Liliflora Nigra Slender pansy-black curved buds opening to dark maroon-purple, lighter purplish-pink interiors. Flowers through spring and summer. 2x1.5m.	.75m	89.99
Magnolia Milky Way Upright neatly rounded tree with icy-white cup-shaped fragrant flowers pink at the base and pure white inside. Prolific bearer on bare branches early to mid spring. 5x3m.	1m	89.99
Magnolia Old Port Blooms are a very dark wine-purple with the inner surfaces off white. Cup shaped 12cm blooms have a light fruity fragrance. Multi-branched. 3-4m.		89.99
Magnolia Red As A smaller growing specimen that flowers heavily at a young age. Glorious goblet-shaped darkish purpley-red flowers. 2-3m.	1m	89.99
Magnolia Royal Purple A very beautiful narrow upright tree with mid-sized blooms of a very bright royal purple. Ideal for small gardens. 2m.	1m	89.99
Magnolia Stellata 'Royal Star' Produces masses of large, icy white starry flowers. Stronger growing than M. stellata. 2.5x2.5m.	.5m	89.99
Magnolia Stellata Star Magnolia – Among the first to bloom. Forms a dense compact bush, smothered in spring with starry pure white fragrant flowers. Hardy. 2.5x2.5m.	.75m	89.99
Magnolia Stellata Rosea Pink buds and pink flushed fragrant flowers which gradually fade to pearly white. Early flowering. Vigorous. 3x2.5m.	.5m	89.99
Magnolia Soulanegana San Jose This medium sized tree is a real sight in full bloom. The large flowers are fragrant and cup shaped in shades of creamy white and pastel pink with a deeper pink at the base. Plant in a sunny, sheltered spot with acid soil.		89.99
Magnolia Summer Magic Summer Magic has been bred by Vance Hooper in Taranaki and is described as the having elegant narrow healthy foliage and is almost willow like when it's not in flower. These trees have been admired for their foliage alone when not in flower. Magnolia Summer Magic is the best Summer flowering Magnolia that we've seen and can be expected to grow quite slender and tall. 4x1.8m.	1m	89.99

	Grade	Price
Magnolia Sunsation Best yellow hybrid form U.S.A with rich lemon-chartreuse flowers with a hint of reddish purple on the outer tepals, and dusky pink on the inside. Upright growth habit. 5m in 10 yrs.		89.99
Magnolia Vulcan The best of the best! Arguable the most stunning Magnolia bred to date. Opulent, deep magenta blooms up to 25cm across. A good sized compact tree, suitable for smaller gardens. May take two or three years for the flowers to develop true size and colour. 4x3m.		89.99
MALUS - ORNAMENTAL CRAB APPLES		69.99
Malus Ballerina An outstanding flowering Apple. In September bunches of red buds open to large frilly double pink blossoms. Prune after flowering. Very free flowering. 4x2m.		
Malus coronaria Charlottae Large leaves which colour richly in the autumn. Flowers large, semi-double shell pink. Green fruits. 6m.	80/100	69.99
Malus Flamingo Malus 'Flamingo' is hardy and has a columnar habit. It features double red buds that open up to deep-pink flowers in spring. The new foliage of <i>Malus</i> 'Flamingo' is a deep burgundy-red to plum-purple, changing to purple-green during the summer.		69.99
Malus Floribunda - Japanese Apple Blossom - Standard A myriad of crimson buds open into white or pale pink flowers on long arching branches on a 1.5m standard. Red and yellow small fruits. A remarkably beautiful tree. Possibly the earliest Malus to bloom..	1.8m std	89.99
Malus Golden Hornet A hardy, deciduous tree that is a popular choice for home gardeners. Emerging from pink buds, fragrant, white blossoms begin to appear in mid to late Spring followed by heavy crops of slightly oval, golden-yellow fruit.	1.5m	69.99
Malus Ioensis Plena - Betchels Crab Beautiful large double flowers in its third year. Pink buds open to palest pink blossoms. Very fine autumn tones of orange and red. 3x2m.	1m	69.99
Malus Jack Humm Large brilliant red crab apples flushed yellow and orange give a magnificent display right through winter. Great for making jelly. 4x3m.	1.5m	69.99
Malus Jelly King Pink buds opening to pure white flowers late season on a tall upright tree. The fruit are 3cm round, orange yellow overlaid with medium red. Fantastic for jelly and the birds leave the fruit alone till late autumn. 3x2.5m.	1.5m	69.99
Malus Profusion Masses of deep wine red slightly fragrant flowers up to 4cm across. Flowers young and quite vigorous. Young foliage is wine red. Prune after flowering. 3x2.5m	MM102	69.99

	Grade	Price
Malus Snowbright Snow white dainty flowers opening from pink streaked buds in spring to bright orange red berries in the autumn. Semi weeping bush. High disease resistance. 2m.	1.5m	69.99
Malus Wright's Scarlet A spectacular fruiting crabapple with large, crimson-red fruit in autumn. White blossoms in spring. Forms a spreading canopy of branches. Yellow autumn leaves. 4x3m.	1m	69.99
MELIA Azedarach Indian Bead Tree – Pale lilac flowers followed by beautiful shiny compound leaves that are remarkably tolerant to wind. Splendid avenue or specimen tree. 7x5m.		74.99
MORUS Alba pendula With its large glossy deep green leaves this makes a striking small weeping tree of dense habit. White mulberries turning pink through summer. 2x3m.		99.99
NYSSA - TUPELO Nyssa sylvatica Spectacular autumn foliage, vivid shade of scarlet-orange. Hardy and withstands wet soil. 6x4m.	1.2m	74.99
PAULOWNIA Paulownia Tomentosa - Japanese Imperial Tree Large lilac trumpets in upright heads, mid-spring. 12x12m.	1.2m	74.99
PLATANUS Platanus Acerifolia Grows rapidly to form a large, round-headed tree. Smooth, mottled bark peels off in large flakes. Large, palmate leaves. Great for large lawns, parks, avenues, and streets. 8x6m.		69.99
PRUNUS – FLOWERING CHERRIES Prunus yedoensis Awanui Masses of pale shell pink large single blossoms in mid spring. The horizontal branches make an excellent shade tree. 6x6m.	1.5m std 1.8m std	89.99 99.99
Prunus campanulata Felix Jury A special selection producing large very deep claret red blossom in early spring. Very popular with Tui's and Waxeyes. Upright habit. 5x3m.	1.6 std 2m	79.99 79.99
Prunus campanulata Superba The brightest coloured and earliest blooming of all cherries, with its masses of claret red bells smothering the branches in August. Very popular with Tui and Wax eyes. 5x3m.	1-1.2 std 1.6 std	79.99 79.99
Prunus serrulata 'Kanzan' Strong growing with stiffly ascending branches when young, later spreading. Rich double pink blossom, reddish brown leaves. 10m.	1.6 std	79.99

	Grade	Price
Prunus serrulata Shimidsu Sakura	1.5m std	89.99
Large semi double flowers, pink in bud, opening palest pink, fading to pure snow white. 4x5m.	1.8m std	99.99
Prunus serrulata Shirotae - Mt Fuji	1.5m std	89.99
A very beautiful Cherry. Large single semi-double snow white flowers bursting from the soft young green foliage in long dropping clusters. A vigorous tree with wide spreading branches. 4x5m.	1.8m std	99.99
FLOWERING WEEPING CHERRIES		
Prunus subhirtella Falling Snow	1.2m std	79.99
A pale pink form suitable for warmer areas. Slender arching gracefully pendant branches clothed in pearly-white blossom mid-spring. 2.5x2m.	1.5m std	89.99
	1.8m std	99.99
Prunus persica Cascade	1.5 std	89.99
One of the most outstanding weeping trees. Ice white, double blossoms with patches of pink, cascade down stems early spring. Small, compact tree perfect for smaller gardens. 3mx1.5m.		
Prunus subhirtella Pendula Rosea	1.2m std	79.99
The weeping Rosebud Cherry of Japan. Slender arching and gracefully pendant branches. Dainty single pink blossom. 2.5x2m.	1.5m std	89.99
	1.8m std	99.99
Prunus Kiku-Shidare Sakura		
Beautiful spring display of bright rose-pink fully double frilled flowers in dense clusters on steeply pendulous branches which weep gracefully to the ground. 2.5x2m.	1.5m	89.99
	1.8m	99.99
PYRUS - ORNAMENTAL PEAR	2m	89.99
Pyrus Aristocrat		
A beautiful ornamental pear. Showy white flowers in spring with striking yellow to red autumn foliage. Strong pyramidal growth. Hardy, high health variety. 6x4m.		
Pyrus Bradford	2m	89.99
A selected, non thorny form. It forms a vigorous, medium sized, dense headed tree flowering profusely in late spring. Attractive autumn foliage in shades of orange through to scarlet red. Highly praised as an ornamental and commonly planted as a street tree. 6x4m.		
Pyrus Kea		
A smaller-growing, multi-branched tree with a dense, bushy growth habit. Glossy, green leaves turn to a blend of burgundy and green over summer. This colouring intensifies to red through autumn. Tolerates both dry and heavier wet soils. White spring flowers. 5x4m.	2m	89.99
Pyrus salicifolia Pendula - Weeping Silver Pear	1.5m	89.99
