

HARRISONS GARDENWORLD

2017 DECIDUOUS CATALOGUE ORNAMENTALS AND FRUIT

Welcome to our Deciduous Ornamental Tree, Shrub and Fruit Tree Catalogue.

We are pleased to offer a sensational selection of high quality deciduous trees/shrubs and fruit trees. This year **Large Grade** trees are also available – please enquire at the garden centre for further information.

Deciduous plants provide interest in the garden throughout the year and are suitable for every garden - large or small. In the case of fruit trees there is also the added enjoyment of eating your own home-grown produce.

All of the trees and shrubs we supply are backed by our exclusive *Plant Performance GUARANTEE*.

Enclosed is our order form. Please note, it is advisable to order early as many varieties are in limited supply. All deciduous ornamental and fruit tree/shrub orders will be confirmed on a first in, first served basis.

If you are unable to find a particular plant in the catalogue, please do not hesitate to request it. Our plant finding service is very efficient!

Please feel free to seek our recommendations on the best choice of deciduous tree/shrub or fruit tree for your garden. We have an experienced team who are only too happy to help.

All orders placed are eligible for inclusion on your Harrisons Advantage Card.

Happy Gardening from your Team at Harrisons!

Plant Performance[™] **GUARANTEE**

If within 12 months any plant purchased from Harrisons fails to perform to your expectation
Please return it with proof of purchase.
We will happily replace it with any equivalent plant to the same value.

PLANTING HINTS

1. **SELECT YOUR SITE** - Suitable for the tree you have chosen.
2. **SITE PREPARATION** - Dig a hole large enough for the roots to be spread out without distortion and deep enough for the tree to be planted at the same depth as it has been in the Nursery. Add 2 Agriform Tablets with the soil at the bottom of the hole and halfway when back filling the hole. This will provide up to 3 years continuous feeding. Prune back any damaged roots to sound wood.
3. **STAKING** - Insert a stake slightly off centre in the bottom of the hole and drive it in until secure. This will normally be 30-45cm (12-18in). Place the tree or the shrub in the centre of the hole, locating the stem 2.5cm (1in) from the stake, ensuring that the stake reaches only to the lowest branch. Ensure that the top of the stake does not interfere with the crown of the tree or shrub and adjust the height of the stake where necessary either by driving it deeper or by cutting off the top.
4. **PLANTING** - Spread the roots of the tree or shrub laterally and backfill with soil. Firm soil carefully to exclude air pockets, taking care not to damage the roots.
5. **PROTECTING THE TREE** - Where stems may be damaged by animals or machines, place a plastic tree guard around the stem or around the stem and stake. Secure the tree or shrub to the stake, using a tree-tie attached to the top of the stake no more than 2.5cm (1in) from the top. Additional ties may be necessary to stop the stem rubbing on the stake.
6. **PRUNING** - After having carried out steps 1 to 5 the most important phase of the tree's survival begins. Prune at least one third from the tree and always prune branches to an outside bud. The logic of pruning is simply that the roots have been cut, so a balance between branches and roots must be achieved to minimise stress on the plants.
7. **Never** plant your tree when ground conditions are not suitable, i.e. too wet - as this, along with the firming of the soil around the roots, forces the air from the soil and may cause root disease.

**Having carried out these seven steps - sit back and watch
your investment grow!**

ORNAMENTALS

ACER - JAPANESE MAPLES

Maples have an appeal for their various features; finely cut foliage, incredible autumn colour. In general terms, most Maples prefer reasonably sheltered positions with good free draining soils with a high organic content. Dappled shade is ideal for many, and while maples are very frost hardy they detest hot, dry, windy situations.

	Grade	Price
<p>Acer rubrum Autumn Glory The large five lobed leaves are dark green throughout the summer. In autumn the leaves turn to a dark purplish-red and develop the superb features for which this cultivar is renowned. 8x6m.</p>	1.5m	49.99
<p>Acer p. Bloodgood Small rounded tree with deep red foliage throughout the summer. Autumn foliage is brilliant crimson. Requires some shelter. 4x3m.</p>	1.5m	49.99
<p>Acer Burgundy Lace Red leaf Maple. Upright rounded habit. Deeply divided & fringed red Spring foliage turning bronze then scarlet in autumn. Small tree with wide canopy. 3m.</p>	120/150	49.99
<p>Acer Emerald Lace Lace leaf Maple. Foliage lime green when it first appears in Spring, darkening by mid summer, turning bright burgundy-red in autumn. 2m</p>	90/120	49.99
<p>Acer Griseum - Paperbark Maple The old bark on the trunk and main branches flakes back to reveal cinnamon-chocolate underbark. Green foliage turning red and scarlet. 7x5m.</p>	1m	49.99
<p>Acer p. Katsura Treasured small maple with striking pale-yellow spring growth. Leaves are green through summer turning orange, yellow and red in autumn. 2.5x2m</p>	1m	49.99
<p>Acer p. Red Pygmy Very delicate lace-like leaves, bright red-maroon in spring and summer, colouring deeper in autumn. A delightful contrast in shape and tone when combined with other forms. An excellent cultivar. 2x2m.</p>	120/160	49.99
<p>Acer p. Senkaki Red stemmed Maple. Lovely green foliage turns butter-gold before leaf fall, revealing the brilliant red stems and twigs. Cold hardy. Needs wind shelter. 5x3m.</p>	1.5m	49.99
<p>Acer p. Shaina Distinctive bright red new foliage maturing to deep maroon in summer. Upright compact plant, becoming denser with maturity. 3 x 2 m.</p>	1m	49.99
<p>Acer p. Shindeshojo In spring new leaves appear deep pinkish-crimson changing to reddish-green and then orange-red. A very striking small tree. 2.5 x 2m.</p>	1.2m	49.99

	Grade	Price
Acer p. Skeeters Broom A narrow dense foliated upright grower with small bright red spring leaves that are burgundy through summer and scarlet in autumn with purple branches. 2.5 x 1.5m	1.5m	49.99
WEEPING JAPANESE MAPLES		
Acer p. dissectum Crimson Queen A small spreading weeping form with scarlet-red stems. Retains leaf colour throughout the summer, turning fiery scarlet in autumn. 1x1m	.5m std 1m std	49.99 49.99
Acer Esk Flamingo A very spectacular Maple. Its prime show is in summer and autumn when the leaves are mottled with spectacular pinks and creams. Graceful weeping habit. 3m.	1.2m	49.99
Acer p. dissectum Orangeola Stunning orange-red foliage in spring, bronze-red in summer and brilliant red-orange in autumn. Cascading branches form a dome shaped plant at maturity. 1x1m	90/100	49.99
Acer d. Tamukeyama Deep reddish purple foliage with a growth habit that is vigorous. Weeping Maple. 1.5x2m	1m std	49.99
Acer p. dissectum Viridis New fresh, soft green spring foliage. Dissected leaves delicately lace-like turn lime-green in summer. Spectacular autumn tones of fiery gold and orange. Soft mounding habit. 1x1m	.5m std 1m std	49.99 49.99
AESCULUS		
Carnea briotti Red Horse Chestnut. A compact form with bold handsome leaves and rosy crimson flowers in upright 22cm clusters. Perfect lawn specimen. 6x5m.	1m	49.99
ALBIZIA - SILK TREE		
Albizia julibrissin Rosea Good for a hot dry position, with rich green dainty ferny leaves, rounded fluffy brushes of pink stamens during the height of summer. 5x4m.	1.5m	49.99
Albizia julibrissin Red Silk Selected form of the Silk Tree bearing a profusion of carmine-red silky flowers. 5x4m	1.5m	49.99
ALNUS-ALDERS		
Extremely fast growing trees. They will grow anywhere (except right on the coast) and are particularly good in wet boggy areas.		
Alnus cordata – Italian Alder A splendid medium to large conical tree, very hardy. Will stand a wide range of conditions. Bright green glistening foliage. 10 x 5m.	150/200 1.5m	34.99 44.99

	Grade	Price
<p>AMELANCHIER Canadensis Shad Bush – the abundant racemes of white flowers are produced in spring before the leaves are developed. Oblong leaves are woolly when young and richly coloured orange-red in autumn. Hardy. 4x3m.</p>	1m	59.99
<p>BETULA-BIRCHES A very well known and popular tree and most are noted for attractive bark and autumn colours. Male and female catkins are borne on the same tree. Most birches accept exposed situations and are very cold hardy. Moist but well drained soils are preferred while poorer soils are tolerated. Plant them as isolated specimens or in a small group.</p>		
<p>Betula Utilis Jacquemontii This form of the ‘Himalayan Birch’ has been selected for its very white bark. An attractive medium sized tree from West Nepal. 8x5m.</p>	1.5m	59.99
<p>Betula Pendula - Silver Birch A tree adaptable to a wide range of conditions. Popular for its semi-pendulous habit. Juvenile bark is golden brown, but as the tree matures, the main trunk and limbs become vivid white with black clefts. 12x6m.</p>	1.5m	49.99
<p>Betula nigra Summer Cascade A new weeping form of river birch with graceful arching branches. Ideal as specimen tree or focal point. 1.8 x 1m</p>	1.5m	59.99
<p>Betula White Spire Like the famous Betula utilis ‘Silver Shadow’ but with a more vigorous and upright fastigiated habit. Strikingly white trunk at an early age. 8x4m.</p>	2m	59.99
<p>CARPINUS Carpinus are very hardy, preferring a well-drained moist site with full sun, but are suitable for slightly shaded areas. Resistant to drought and frosts. May be pruned heavily for hedging or screening if desired. Tolerant to a wide range of soils. An attractive tree which is often overlooked and is worthy of wider planting.</p>		
<p>Carpinus Betulus - Common Hornbeam Recommended for single specimens and for hedging, resembling beech for hedging. Green leaves in summer turning bright yellow in autumn. Medium to large tree easily grown. 19m.</p>	1.5m	49.99
<p>CERCIS - REDBUDS AND JUDAS TREE</p>		
<p>Cercis Avondale Dwarf growing selection with masses of cerise pink flowers that clothe the stems to ground level. Glossy heart shaped leaves in summer. 2m.</p>	90/120	44.99
<p>Cercis canadensis Forest Pansy One of the most striking and sought after smaller trees. Leaves develop from deep wine red through deep purple in spring aging to deep bronzy green in summer. Takes on a spectacular blaze of reds in autumn. Pale, rose pink, pea shaped spring flowers. Very hardy and wind tolerant. 3x3m.</p>	120/150 1.5m	44.99 49.99

	Grade	Price
Cercis Heart's Of Gold Golden Redbud. Reddish purple leaves early spring changing to stunning bright yellow further in the season. Semi-glossy heart shaped foliage. 5-6m (PVR)	120/150	49.99
Cercis Spring Snow White flowered Chinese Redbud. Rich green heart shaped leaves with masses of white blossom clothing stems in spring. Compact habit reaching 3m in 30 yrs.	90/120	49.99
CHAENOMELES - JAPONICA		
Chaenomeles Alarm Large deep red flowers during winter and early spring. 3m.	.3m	29.99
Chaenomeles Early Orange Buds and orange blossom cover the plant both before and after the foliage emerges in late winter and early spring. Fragrant yellow small fruits ripen in the winter and may be cooked in preserves and jellies. A low spreading form makes it ideal for hedges or ground covers. 1m.	.3m	29.99
Chaenomeles Green Ice Chartreuse buds open to semi-double white flowers tinged green. Low spreading habit. Flowers late winter to early spring when the bare branches break forth in a riot of colour. 1x1m	.3m	29.99
Chaenomeles Mrs Murphy Dark red flowers in late winter. Very hardy. Prune after flowering. 2m.	.3m	29.99
Chaenomeles Yokuku Purest white blossom with tinges of green in the throat. The saucer shaped flowers are followed by large yellow quinces – suitable for jellies. 1x1m	.3m	29.99
CHIMONANTHUS - WINTERSWEET		
Chimonanthus praecox Waxy yellow flowers with centre purple markings. Delightfully scented. Hardy. 3x3m.	.75m	39.99
Chimonanthus praecox luteus An easy to grow hardy shrub bearing sweetly scented, rich yellow, unstained flowers borne in profusion in early spring. 3x3m		39.99
CORNUS - DOGWOOD		
Cornus alba elegantissima A very hardy red stemmed Dogwood. Broad green-grey leaves with white margins. Cream flowers in early summer. Creates a magnificent display when mass planted. Cold hardy, easy to grow. 2x1.5m	.3m	34.99
Cornus alba sibirica Red barked Dogwood – Dark oval green leaves and creamy white flowers. Grown for coral-red stems that are revealed when leaves fall. Stunning planted in groups. Best in full sun. 1.5x1.5m	.3m	34.99
Cornus cont. Alternifolia Argentea (New) Hardy. Silver variegated leaves. Develops clusters of white flowers on the upper surface of tiered branches. 3m.	40/60	59.99

	Grade	Price
<p>Cornus Eddies White Wonder For many gardeners, this is the pick of the Dogwoods. Large white showy flower bracts in spring and fantastic red and orange autumn colour. 4 x 3m.</p>	1.5m	49.99
<p>Cornus controversa Golden Wedding A sport from a nursery seedling. Margins of golden foliage & cream areas around green. It has been known for not sun burning in NZ conditions. Spring growth has bronze tint, autumn pink tones. White blooms. 5m</p>	40/60	59.99
<p>Cornus kousa Moonbeam A very showy small rounded tree with large white flowers up to 15cm across set above green foliage. Red fruit look lovely against the autumn foliage of crimson to purplish-red. 5m.</p>	50/70	49.99
<p>Cornus Florida Purple Glory Showy red flowers and purple foliage that matures to a rich purple-red in autumn with red berries all combine to create a particularly showy shrub. Hardy. 4m.</p>	.5m	49.99
<p>Cornus controversa Variegata - Wedding Cake Tree A very ornamental small tree with picturesque horizontal branches in tiers, with striking silver margined leaves. 5x5m.</p>	.5m	59.99
<p>COTINUS - SMOKE BUSH</p>		
<p>Cotinus Goggyria Smoke Bush - Large misty flower heads appear in late spring in a fawn colour then turn smoky purple by autumn. A hardy rounded bush, which ends with a magnificent display of autumn foliage. 3x3m.</p>	.3m	39.99
<p>Cotinus Grace The young foliage is a translucent wine-red shown to advantage when planted in a sunny position. The leaves mature to a rich red turning to orange, red and yellow in autumn. Large pinkish plume-like flowers emerge from the red stems, turning smoky-grey by late summer. 3x3m.</p>	.3m	39.99
<p>Cotinus Red Spirit Brilliant red-green foliage throughout the summer, topped with plumes of smoke like flowers. Beautiful autumn foliage of orange and reds. Best grown in part shade. Keep moist. 3m.</p>	.3m	39.99
<p>CORYLUS</p>		
<p>Corylus avellana 'Contorta' 'Harry Lauders Walking Stick.' Upright shrub with twisted, waved and curled corkscrew like stems. Ornamental, greenish-yellow catkins late winter to early spring. Locate where its curiosity value may be appreciated. Cut branches valuable for floral work. 3x2m</p>	.3m	49.99
<p>CRATAEGUS - HAWTHORN</p>		
<p>Paul's Scarlet A Hawthorn literally smothered with small double scarlet blossoms in November. Cold climate tree hardy and adaptable in almost any situation. 8x5m.</p>	1.5m	59.99

	Grade	Price
<p>Roseo Plena Double pink Hawthorn – Dark glossy green leaves. Produces masses of small pink double flowers in clusters along the branches in late spring. Hardy tree adapting to almost any well drained soil. Suitable for street planting, hedging or as a specimen. Frost hardy. 3m.</p>	2m	59.99
<p>DAVIDIA Involucrata Dove or Ghost Tree – This beautiful medium sized tree is most conspicuous in early spring when draped with its large white bracts. Best in fertile soil with some shelter and wind protection. 8x4m.</p>	1m	59.99
<p>EDGEWORTHIA Grandiflora Yellow Daphne – An interesting shrub from China with stout stems terminating in spring. Large silvery buds opening to heads of yellow tubular flowers. 1.5x1.5m</p>	.3m	39.99
<p>FORSYTHIA Karl Sax A strong growing very free flowering hybrid with large deep canary yellow blossom. One of the earliest winter bloomers. 2m.</p>	.3m	39.99
<p>FRAXINUS – ASH Rapid growing shapely trees. Ideal for the smaller garden, shade or avenue tree. Tolerant of climatic extremes but protect from salt spray.</p>		
<p>Fraxinus oxycarpa Raywood The pinnate leaves with small narrow leaflets, are a deep green throughout the spring and summer. In autumn the foliage gradually turns a soft lemon-green with a touch of deep burgundy before achieving its renowned rich claret colour. A very popular shade tree with spectacular autumn colour. 12x9m.</p>	2m	59.99
<p>GINGKO - MAIDENHAIR TREE Ginkgo biloba A large handsome specimen tree famous for its gorgeous golden autumn foliage. Tolerant of heat or cold, but keep moist until established. 10x8m.</p>	1.5m	49.99
<p>Ginkgo biloba Autumn Gold A large handsome male form with a symmetrical upright habit. Golden autumn foliage. Plant in loose, well-drained soil. 3.5m.</p>	70/90 1m	44.99 59.99
<p>Ginkgo Little Weeper Small maidenhair foliage, soft green in summer becoming a strong golden yellow in autumn. Growth arches upward with pendulous outer branches. 3m in 10 yrs.</p>	50/70	44.99
<p>GLEDITSIA</p>		
<p>Gleditsia Limelight A wonderful specimen or shade tree with lime green to yellow coloured foliage. Bred in New Zealand. Easy to grow and cold hardy once well established. Thornless. Deciduous.</p>	1.5m	59.99

	Grade	Price
Gleditsia triacanthos Sunburst Lacy feather foliage produced successively throughout summer, clear golden yellow young foliage, darkening to a rich green at maturity. A magnificent specimen tree that will withstand hot dry conditions. 6m	1.5m	59.99
HAMAMELIS - Witch Hazel Hamamelis Arnold Promise Small growing neat upright vase shaped habit with abundant soft yellow fragrant late winter flowers. 1.5m		44.99
HYDRANGEA Easy care shrubs that give colour for months. Plant in a fairly moist position in full sun to shade. Prune back to double buds in winter. To maintain pink/red shades apply a side-dressing of dolomite lime. For blues apply aluminum sulphate.

KOLKWITZIA		
Pink Cloud	.25m	29.99
Forms a dense multi-branched shrub with its top stems gracefully arching. In November it is completely draped with masses of pale pink bells. Prune after each flowering. 4x3m		
LIQUIDAMBAR - SWEET GUMS		
Handsome trees with maple like leaves. One of the finest trees for autumn colour with moderate growth rate, good form, picturesque branch pattern and corky bark. Intense autumn colour.		
Liquidambar styraciflua - American Fruit Gum	1.5m	49.99
Forms a stately pyramidal tree with well spaced branches and rugged corky bark. Handsome shining dark green maple-like leaves changing in autumn to shades of red, orange, yellow and purple. 8x5m.		
Liquidambar styraciflua Gumball	1.5m std	99.00
A special dwarf form that grows into a round ball. Vibrant autumn colours that last well into winter. 2x2m		
Liquidambar Golden Treasure	1.5m	49.99
Handsome Maple like leaves with a very broad golden margin providing excellent garden colour from spring right through autumn. Autumn shades are splashed with vivid shades of pink and carmine. Slow growing needs a sheltered garden. 2 x 2 m.		
Liquidambar styraciflua Lane Roberts	1.5m	49.99
A selected clone from England and most reliable for its rich black crimson-red colour in autumn. Smooth fine bark. Upright conical form. 8x5m.		
Liquidambar Worplesdon	1.5m	49.99
Upright pyramidal form with outer branches gracefully drooping. Finely cut leaves give a brilliant display of yellow, orange and scarlet. 8x5m.		
LIRIODENDRON		
The 'Tulip Tree' – fast growing trees, succeeding in all types of fertile soil. Fragrant yellow flowers appear high on the tree in late spring, sometimes hidden by leaves to be conspicuous.		
Liriodendron Aureomarginatum	1.5m	69.99
Unique saddle-shaped leaves, variegated with various shades of green, broadly margined yellow. Fragrant orange and green flowers in late spring. 10x8m.		
MAGNOLIA		
They are the most magnificent of flowering trees. Flowers are showy, solitary, and some are fragrant cup, goblet or star shaped. They appear before the leaves in most deciduous magnolia's, requiring a sheltered spot. Magnolia's require fertile, humus rich, well drained soils that are moisture retentive.		
Magnolia Apollo	1m	49.99
Forms a neat small tree with an open spreading habit. Deep rose-pink buds which open to large bowl-shaped rosy-red flowers with a rich fruity fragrance. Mid to late season flowering. 6m.		

	Grade	Price
<p>Magnolia Black Tulip A smaller growing compact tree with magnificent, goblet-shaped blooms in a stunning red-black. Note that the flowers may not be true to form and customers should be advised that it can take a year or two to settle in. A wonderful tree for an garden situation. 3.5x2.5m</p>	1.2m	69.99
<p>Magnolia Burgundy Star The most recent release of the Jury range. Distinctively different with flowers that are many petalled and claret red. Absolutely stunning! The tree itself is tall and narrow making it perfect for small garden planting. 1.5m.</p>	1.2m	69.99
<p>Magnolia Butterflies Beautiful yellow blooms appear before the foliage in spring. Cold hardy 4x3m.</p>	.5m	49.99
<p>Magnolia Cameo Sister seedling to 'Cleopatra' elegant sculpted blooms of rounded form. Outer side of petals is reddish purple/inner surface white, blushed rose. Trials show 'Cameo' to be one of the heaviest flowering magnolias in the first season. Blooms, wind tolerant & produced abundantly from the first year. Breeder Vance Hooper PVR protected. 4m</p>	90/120	59.99
<p>Magnolia Cleopatra Classic hybrid from England with rich pink cup and saucer blooms. Seems to be a clone of Charles Raffill. Takes some years to reach blooming age. Rounded tree to 6m.</p>	90/120	59.99
<p>Magnolia David Clulow Goblet shaped white scented blooms. Upright tree. 4m. Reported to be one of the best white magnolias.</p>	1m	49.99
<p>Magnolia Denudata - The Lily Tree This rounded tree is covered with fragrant pure white cup-shaped flowers in early spring. 5x4m.</p>	1m	49.99
<p>Magnolia Felix Jury Enormous, superb flowers open red and turn rosy pink. A spectacular sight in early spring when the compact tree will be covered in hundreds of blooms. The flowers have the added bonus of being highly fragrant. 5x3m.</p>	1.2m	69.99
<p>Magnolia Genie Recent Release. Genie is a medium sized, well branched tree. Deep burgundy-black buds open to medium sized cup shaped flowers of burgundy red. Flowers from an early age. 4m</p>	70/90	59.99
<p>Magnolia Heaven Scent Upright grower with upright pastel lavender-pink blooms, toned more softly towards the tips with white interiors. Unique colour, strongly fragrant. 4x2.5m.</p>	1m	49.99
<p>Magnolia Iolanthe From early spring very large bowl shaped rose-pink blooms appear with a creamy white interior. A magnificent variety. 4x5m.</p>	1m	49.99
<p>Magnolia Koban Dori Beautiful yellow blooms, flowering with foliage dwarfed than other yellow varieties. 4x2.5m.</p>	90/120	49.99

	Grade	Price
<p>Magnolia liliiflora Nigra Slender pansy-black curved buds opening to dark maroon-purple, lighter purplish-pink interiors. Flowers in spring. 2x1.5m.</p>	.75m	49.99
<p>Magnolia Old Port Blooms are a very dark wine-purple with the inner surfaces off white. Cup shaped 12cm blooms have a light fruity fragrance. Multi-branched. 3-4m.</p>	1m	49.99
<p>Magnolia Red As A smaller growing specimen that flowers heavily at a young age. Glorious goblet-shaped darkish purpley-redflowers. 2-3m.</p>	.75m	49.99
<p>Magnolia Royal Purple A very beautiful narrow upright tree with mid-sized blooms of a very bright royal purple. Ideal for small gardens. 2m.</p>	1m	49.99
<p>Magnolia Ruby A hybrid of soulangeana parentage with a compact upright habit, flowering from an early age. Impressive goblet shaped delicately fragrant rich ruby-red flowers with a fine white edge to the petals and white interior. 5x4m.</p>	.75m	49.99
<p>Magnolia Serene Massive rounded bowl-shaped slightly fragrance blooms, deepest rosy-pink carmine towards the base and ivory white inside. 5x4m.</p>	1m	49.99
<p>Magnolia Stellata Star Magnolia - Among the first to bloom. Forms a dense compact bush, smothered in spring with starry pure white fragrant flowers. Hardy. 2.5x2.5m.</p>	.5m	49.99
<p>Magnolia Stellata Jane Platt The very best of the pink flowering stellata varieties. Green foliage and gorgeous rich, deep pink flowers in spring. 3m.</p>	50/70	49.99
<p>Magnolia Stellata Rosea Pink buds and pink flushed fragrant flowers which gradually fade to pearly white. Early flowering. Vigorous. 3x2.5m.</p>	.5m	49.99
<p>Magnolia Stellata Waterlily Vigorous medium sized compact, densely branched shrub. Flowers are semi-double, many petalled and very large in size. Flowers in a profusion of palest pink buds opening to glittering white starry blooms, pink on the outer petals. 2x2m.</p>	.5m	49.99
<p>Magnolia Sweet Merlot Globe shaped medium sized claret red flowers freely produced on a shrubby bush. Very neat and tidy habit. Flowers last well when cut. 6m</p>	1m	49.99
<p>Magnolia Sweetheart Deep coloured mid-pink blooms, rich sweet fragrance and early blooming. Upright growth. A seedling of 'Caerhays Belle'. A very desirable popular plant. 4 x 3 m</p>	1m	49.99
<p>Magnolia Ula Large rose pink bowl shaped blooms. Late flowering. Hardy tree. 5-6m.</p>	70/90	49.99

	Grade	Price
<p>Magnolia Vulcan The best of the best! Arguable the most stunning Magnolia bred to date. Opulent, deep magenta blooms up to 25cm across. A good sized compact tree, suitable for smaller gardens. May take two or three years for the flowers to develop true size and colour. 4x3m.</p>	15L	69.99
<p>Magnolia brooklynensis Woodsman An interesting hybrid, featuring flowers in unusual greenish yellow to purple and chocolate shades. Moderately vigorous upright growth. Popular for floral arrangements. 4x3m.</p>	1m	44.99
MALUS - CRAB & ORNAMENTAL FLOWERING APPLES
