## 2025 DECIDUOUS CATALOGUE ORNAMENTALS AND FRUIT

### Welcome to our Deciduous Ornamental Tree, Shrub and Fruit Tree Catalogue.

We are pleased to offer a sensational selection of high quality deciduous trees/shrubs and fruit trees. This year **Large Grade** trees are also available – please enquire at the garden centre for further information.

Deciduous plants provide interest in the garden throughout the year and are suitable for every garden - large or small. In the case of fruit trees there is also the added enjoyment of eating your own home-grown produce.

**All of the trees and shrubs we supply are backed by our exclusive *Plant Performance GUARANTEE*.**

Enclosed is our order form please note, it is advisable to order early as many varieties are in limited supply. All deciduous ornamental and fruit tree/shrub orders will be confirmed on a first in, first served basis.

If you are unable to find a particular plant in the catalogue, please do not hesitate to request it. Our plant finding service is very efficient!

Please feel free to seek our recommendations on the best choice of deciduous tree/shrub or fruit tree for your garden. We have an experienced team who are only too happy to help.

All orders placed are eligible for inclusion on your Harrisons Advantage Card.

## Happy Gardening from your Team at Harrisons!

### *Plant Performance™* **GUARANTEE**

If within 12 months any plant purchased  
from Harrisons fails to perform to your expectation  
Please return it with proof of purchase.  
We will happily replace it with any equivalent plant  
to the same value.

## PLANTING HINTS

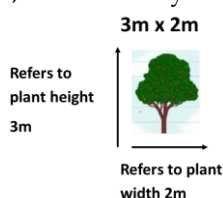

1. **SELECT YOUR SITE** - Suitable for the tree you have chosen.
2. **SITE PREPARATION** - Dig a hole large enough for the roots to be spread out without distortion and deep enough for the tree to be planted at the same depth as it has been in the Nursery. Add Ican Slow Food with the soil at the bottom of the hole and halfway when back filling the hole. This will provide up to 2 years continuous feeding. Prune back any damaged roots to sound wood.
3. **STAKING** - Insert a stake slightly off centre in the bottom of the hole and drive it in until secure. This will normally be 30-45cm (12-18in). Place the tree or the shrub in the centre of the hole, locating the stem 2.5cm (1in) from the stake, ensuring that the stake reaches only to the lowest branch. Ensure that the top of the stake does not interfere with the crown of the tree or shrub and adjust the height of the stake where necessary either by driving it deeper or by cutting off the top.
4. **PLANTING** - Spread the roots of the tree or shrub laterally and backfill with soil. Firm soil carefully to exclude air pockets, taking care not to damage the roots.
5. **PROTECTING THE TREE** - Where stems may be damaged by animals or machines, place a plastic tree guard around the stem or around the stem and stake. Secure the tree or shrub to the stake, using a tree-tie attached to the top of the stake no more than 2.5cm (1in) from the top. Additional ties may be necessary to stop the stem rubbing on the stake.
6. **PRUNING** - After having carried out steps 1 to 5 the most important phase of the tree's survival begins. Prune at least one third from the tree and always prune branches to an outside bud. The logic of pruning is simply that the roots have been cut, so a balance between branches and roots must be achieved to minimise stress on the plants.
7. **Never** plant your tree when ground conditions are not suitable, i.e. too wet - as this, along with the firming of the soil around the roots, forces the air from the soil and may cause root disease.

**Having carried out these seven steps - sit back and watch  
your investment grow!**

## OTHER TREE PLANTING ESSENTIALS

<b>Ican Slow Food - 24 Month</b>	500gm	14.99
Ican Slow Food - 24 Month	2kg	39.99
<b>Tui Organic Sheep Pellets</b>	5kg	19.99 or 2 for \$35

<b>Ican Planting Mix</b>	12.99 or 3 bags for \$29	

**Stakes** (Various Sizes and Types, indicate on your order if required)

## ORNAMENTALS

### ACER - JAPANESE MAPLES

Maples have an appeal for their various features; finely cut foliage, incredible autumn colour. In general terms, most Maples prefer reasonably sheltered positions with good free draining soils with a high organic content. Dappled shade is ideal for many, and while maples are very frost hardy they detest hot, dry, windy situations.

	Grade	Price
<b>Acer rubrum Autumn Glory</b> The large five lobed leaves are dark green throughout the summer. In autumn the leaves turn to a dark purplish-red and develop the superb features for which this cultivar is renowned. 8x6m.	1.8m	89.99
<b>Acer Autumn Moon</b> A rare and beautiful Maple named for it's outstanding autumn foliage in shades of burnt orange. The new spring growth has tones of pale yellow and green with hints of orange on rounded leaves with shallow lobes. Plant in a sheltered, semi-shaded position. 5x5m.	50cm	74.99
<b>Acer p. Aratama</b> This rare and desirable dwarf is slow growing with elegant thin branches. The five-lobed leaves begin as brick red in spring, turn purple, red and green in summer then finally turn gold and orange late autumn. Plant in a sheltered spot in the garden or grow in a container. 1.5x1.5m	Topary	74.99
<b>Acer p. Beni Schichihenge</b> A small growing maple having green leaves with strong white margins. The white is overlaid with pink-orange. A distinct colour and desirable plant. Excellent tub plant. 2x2m.	Topary	74.99
<b>Acer p. Bloodgood</b> Small rounded tree with deep red foliage throughout the summer. Autumn foliage is brilliant crimson. Requires some shelter. 4x3m.	1.5m	89.99
<b>Acer p. Butterfly</b> Butterfly is a delicate, unique small tree, with deeply divided, gray-green leaves with creamy margins that are often tinged pink in the spring and scarlet in the fall. It looks lovely from afar but, to see its true splendour, one should look up close. 3x2.5m.	Topary	74.99
<b>Acer p. Fjellheim</b> This unique maple was found as a witch's broom growing on 'Sango kaku', the Coral Bark Maple, this variety also exhibits bright red bark but is more compact. 1.2x1m.	Topary	74.99
<b>Acer p. Fireglow</b> Upright well branched shrub with 5 to 7 lobed wine-red foliage that keeps its intensity of colour well during hot summer conditions. Retains a bushier more compact habit. Spectacular scarlet-crimson Autumn foliage tones. 3.5x3m.	50cm	74.99
<b>Acer freemanii Jeffersred Autumn Blaze</b> Medium tree with a dense oval head. Brilliant autumn colours of reds, oranges, scarlets. Ideal wind-tolerant specimen tree. 10x7 m.	1.8m	89.99

	Grade	Price
<b>Acer Griseum - Paperbark Maple</b> The old bark on the trunk and main branches flakes back to reveal cinnamon-chocolate underbark. Green foliage turning red and scarlet. 7x5m.	1m	79.99
<b>Acer Katsura</b> Treasured small maple with striking pale-yellow spring growth. Leaves are green through summer turning orange, yellow and red in autumn. 2.5x2m.	1m	89.99
<b>Acer p. Murasaki Kyochime</b> The leaves of this variety of "Japanese Maple" are much smaller than usual. It forms a densely branched, small shrub growing to approximately 1.5-2m. It has light green leaves in spring with red margins. The leaves become a darker green in summer. The autumn colour is a blend of yellow and orange. 1.5x1.5m.	Topiary	74.99
<b>Acer p. dissectum Orangeola</b> Stunning orange-red foliage in spring, bronze-red in summer and brilliant red-orange in autumn. Cascading branches form a dome shaped plant at maturity. 1x1m.		74.99
<b>Acer p. Princeton Gold</b> A golden form of the Norway maple. The bright yellow leaves in spring make this a striking tree. Foliage fades to more muted tones through summer. 8x6m.	1.2m	99.99
<b>Acer p. Red Pygmy</b> Very delicate lace-like leaves, bright red-maroon in spring and summer, colouring deeper in autumn. A delightful contrast in shape and tone when combined with other forms. An excellent cultivar. 2x2m.	90cm	74.99
<b>Acer p. Senkaki</b> Red stemmed Maple. Lovely green foliage turns butter-gold before leaf fall, revealing the brilliant red stems and twigs. Cold hardy. Needs wind shelter. 5x3m.	1.5m	89.99
<b>Acer p. Shaina</b> Distinctive bright red new foliage maturing to deep maroon in summer. Upright compact plant, becoming denser with maturity. 3x2m.	1.5m	89.99
<b>Acer p. Shindeshojo</b> In spring new leaves appear deep pinkish-crimson changing to reddish-green and then orange-red. A very striking small tree. 2.5x2m.	1.2m	89.99
<b>Acer p. Shirazz</b> Variegated leaves of pink, green and creamy white. New growth emerges with crimson-pink tones changing to scarlet in autumn. Vigorous upright habit when young, maturing to graceful arching branches. 3x2m.	Topiary	89.99
<b>Acer p. Wilsons Pink Dwarf</b> A truly beautiful dwarf Maple that is worthy of a special sheltered spot in the garden. The dainty lobed foliage emerges pink in spring later turning green with the odd white leaf here and there. Nice for a special container. 2x2m.		74.99
<b>Acer Winter Flame</b> This lovely little Maple was bred in NZ. It has many features not the least being the fiery red stems that are a stand out in winter. The dissected spring foliage emerges green turning to yellow-green for summer and tones of red and orange prior to leaf fall. 2.5x1m.		74.99

WEeping JAPANESE MAPLES	Grade	Price
<b>Acer p. dissectum Crimson Queen</b> A small spreading weeping form with scarlet-red stems. Retains leaf colour throughout the summer, turning fiery scarlet in autumn. 1x1m.	1m std	89.99
<b>Acer Heartbeat</b> Deeply dissected fine foliage that emerges red in spring slowly turning green often with red tips. Crimson Autumn tones prior to leaf fall. Develops a broad mounding shape. Prefers a sheltered spot with deep cool soil. 15.x2.5m.		74.99
<b>Acer p. dissectum Viridis</b> New fresh, soft green spring foliage. Dissected leaves delicately lace-like turn lime-green in summer. Spectacular autumn tones of fiery gold and orange. Soft mounding habit. 1x1m.	1m std	89.99
<b>AESCULUS - HORSE CHESTNUT</b> <b>Aesculus carnea 'Briotii'</b> Good for a hot dry position, with rich green dainty ferny leaves, rounded fluffy brushes of pink stamens during the height of summer. 5x4m.	.75m	89.99
<b>ALBIZIA - SILK TREE</b> <b>Albizia julibrissin Rosea</b> Good for a hot dry position, with rich green dainty ferny leaves, rounded fluffy brushes of pink stamens during the height of summer. 5x4m.	120/150	74.99
<b>ALNUS-ALDERS</b> Extremely fast growing trees. They will grow anywhere (except right on the coast) and are particularly good in wet boggy areas.		
<b>Alnus cordata - Italian Alder</b> A splendid medium to large conical tree, very hardy. Will stand a wide range of conditions. Bright green glistening foliage. 10x5m.		69.99
<b>BETULA-BIRCHES</b> A very well known and popular tree, most are noted for attractive bark and autumn colours. Male and female catkins are borne on the same tree. Most birches accept exposed situations and are very cold hardy. Moist but well drained soils are preferred while poorer soils are tolerated. Plant them as isolated specimens or in a small group.		
<b>Betula Jacquemontii Dazzler</b> A stunning specimen tree. This is a superior selection with amazing snow-white bark. Larger green leaves than its parent. Turns a brilliant gold in Autumn. Very effective in avenues or groups. Hardy. 3x8m.	120/150	79.99
<b>Betula Utilis Jacquemontii</b> This form of the 'Himalayan Birch' has been selected for its very white bark. An attractive medium sized tree from West Nepal. 8x5m.		69.99
<b>Betula P. Japonica</b> Similar to Silver Birch, but has bigger leaves and distinct white bark on the trunk. Lovely graceful specimen tree, slightly pendulous branches. Vibrant autumn colours. Very hardy. 8x4m.		69.99
<b>Betula pendula</b> Easy to grow. Graceful birch, smooth grey-white bark and delicate, green lacy foliage. Looks great planted in a group. 7x6 in 10 years.	2m	79.99

	Grade	Price
<b>Betula White Spire</b> Like the famous Betula Utilis 'Silver Shadow' but with a more vigorous and upright fastigiata habit. Strikingly white trunk at an early age. 8x4m.	1.8m	99.99
<b>CERCIS - REDBUDS AND JUDAS TREE</b> <b>Cercis canadensis Forest Pansy</b> One of the most striking and sought after smaller trees. Leaves develop from deep wine red through deep purple in spring aging to deep bronzy green in summer. Takes on a spectacular blaze of reds in autumn. Pale, rose pink, pea shaped spring flowers. Very hardy and wind tolerant. 3x3m.	1m	89.99
<b>CHIMONANTHUS - WINTERSWEET</b> <b>Chimonanthus praecox</b> Waxy yellow flowers with centre purple markings. Delightfully scented. Hardy. 3x3m.	.75m	69.99
<b>CORNUS - DOGWOOD</b> <b>Cornus alba elegantissima</b> A very hardy red stemmed Dogwood. Broad green-grey leaves with white margins. Cream flowers in early summer. Creates a magnificent display when mass planted. Cold hardy, easy to grow. 2x1.5m.	.3m	49.99
<b>Cornus alba sibirica</b> Red barked Dogwood – Dark oval green leaves and creamy white flowers. Grown for coral-red stems that are revealed when leaves fall. Stunning planted in groups. Best in full sun. 1.5x1.5m.	.3m	49.99
<b>Cornus Eddies White Wonder</b> For many gardeners, this is the pick of the Dogwoods. Large white showy flower bracts in spring and fantastic red and orange autumn colour. 4x3m.	1.5m	89.99
<b>Cornus alba elegantissima</b> A very hardy red stemmed Dogwood. Broad green-grey leaves with white margins. Cream flowers in early summer. Creates a magnificent display when mass planted. Cold hardy, easy to grow. 2x1.5m.	1m	49.99
<b>Cornus Sanguinea Midwinter Fire</b> Cornus sanguinea Midwinter Fire is a striking variety of dogwood known for its vibrant colour that adds warmth to the winter landscape. The stems of this variety transition from an orange-yellow at the base to a deep red at the tips, creating a fiery effect. 2.5x1.5m.	.3m	49.99
<b>Cornus kousa Moonbeam</b> A very showy small rounded tree with large white flowers up to 15cm across set above green foliage. Red fruit look lovely against the autumn foliage of crimson to purplish-red. 5m.		69.99
<b>Cornus Stokes Pink</b> Masses of deep pink flower bracts appear in spring followed by red strawberry fruits that birds love. The green summer foliage colours well prior to leaf fall. 4x3m.	.5m	89.99

	Grade	Price
<b>Cornus Stolon Flavirnea</b> The summer foliage is dark green and colours well in autumn. the late spring flowers are white. hardy and easy to grow. great for decorative floral work. 2.5x1m.	.3m	49.99
<b>Cornus controversa Variegata - Wedding Cake Tree</b> A very ornamental small tree with picturesque horizontal branches in tiers, with striking silver margined leaves. 6x4m.	1.2m	99.99
<b>COTINUS</b> <b>Cotinus Coggyria</b> Large misty flower head appear in late spring in a fawn colour then turn smoky purple by autumn. A hardy rounded bush, which ends with a magnificent display of autumn foliage. 3x3m.	.3m	59.99
<b>Cotinus Purpurea</b> Soft purple foliage deepens in colour over summer, particularly if planted in full sun and is retained until autumn when it turns a brilliant orange colour. 3x2m.	.3m	59.99
<b>EDGEWORTHIA</b> <b>Grandiflora</b> Yellow Daphne – An interesting shrub from China with stout stems terminating in spring. Large silvery buds opening to heads of yellow tubular flowers. 1.5x1.5m	.3m	69.99
<b>FRAXINUS</b> <b>Fraxinus Ornus</b> This lovely tree has a compact growth habit and produces a profusion of fluffy, scented white flowers in the spring. 8x5m.	1.8m	74.99
<b>Fraxinus oxycarpa Raywood</b> The pinnate leaves with small narrow leaflets, are a deep green throughout the spring and summer. In autumn the foliage gradually turns a soft lemon-green with a touch of deep burgundy before achieving its renowned rich claret colour. A very popular shade tree with spectacular autumn colour. 12x9m.	1.8m	89.99
<b>GINKGO</b> <b>Ginkgo biloba Jade Butterflies</b> Dwarf vase shaped Ginkgo with clumps of dark green leaves that look similar to a butterfly's wings. Wonderful butter yellow foliage in autumn. 3x2m.		74.99
<b>Ginkgo 'Ming Princess'</b> Another outstanding maidenhair tree but in a very miniature form. Very fine foliage. 2x1m.		74.99
<b>IDESIA</b> <b>Idesia Polycarpa</b> An ornamental medium sized tree. Large bunches of pea-like bright red berries are borne on female trees in the autumn. 7x6m.		69.99
<b>LIRIODENDRON</b> <b>Liriodendron Tulipifera</b> Liriodendron tulipifera is a magnificent, tall, pyramidal specimen with a broad, spreading crown. Its beautiful bright-green leaves transform into a glorious butter-yellow hue during autumn. In summer, it produces fragrant yellow, orange-banded, tulip-shaped flowers. It is an excellent choice as a large lawn and paddock tree. 8x6m.		69.99

	Grade	Price
<b>LIQUIDAMBAR - SWEET GUMS</b>		
Handsome trees with maple like leaves. One of the finest trees for autumn colour with moderate growth rate, good form, picturesque branch pattern and corky bark. Intense autumn colour.		
<b>Liquidambar styraciflua Gumball</b>	.7m patio	99.00
A special dwarf form that grows into a round ball. Vibrant autumn colours that last well into winter. 2x2m.	1.2m std	115.00
	1.5m std	115.00
<b>Liquidambar styraciflua Lane Roberts</b>	1.5m	89.99
A selected clone from England and most reliable for its rich black crimson-red colour in autumn. Smooth fine bark. Upright conical form. 8x5m.		
<b>Liquidambar Worplesdon</b>	1.5m	89.99
Upright pyramidal form with outer branches gracefully drooping. Finely cut leaves give a brilliant display of yellow, orange and scarlet. 8x5m.		
<b>MAGNOLIA</b>		
They are the most magnificent of flowering trees. Flowers are showy, solitary, and some are fragrant cup, goblet or star shaped. They appear before the leaves in most deciduous magnolia's, requiring a sheltered spot. Magnolia's require fertile, humus rich, well drained soils that are moisture retentive.		
<b>Magnolia Atlas</b>	1m	79.99
A Felix Jury hybrid and probably the largest magnolia Flower in the world – blooms up to 35cm across and petals 15cm wide in lilac pink. Spectacular but needs good shelter. 8x4m..		
<b>Magnolia Black Tulip</b>		99.99
A smaller growing compact tree with magnificent, goblet-shaped blooms in a stunning red-black. Note that the flowers may not be true to form and customers should be advised that it can take a year or two to settle in. A wonderful tree for an garden situation. 3.5x2.5m.		
<b>Magnolia Butterflies</b>	.75m	79.99
Beautiful yellow blooms appear before the foliage in spring. Cold hardy 4x3m.		
<b>Magnolia Cleopatra</b>		79.99
Classic hybrid from England with rich pink cup and saucer blooms. Seems to be a clone of Charles Rafill. Takes some years to reach blooming age. 10x6m..		
<b>Magnolia Emperor</b>	1m	74.99
Magnolia Emperor is another beauty, bred by Revered NZ Breeder Vance Hooper, and a true monarch of the magnolia world. Dark pink flowers that grow to an impressive 30cm diameter in spring to a second round flowering in summer. Moist free draining soil in full sun/1/2 day sun. 5x3.5m.		
<b>Magnolia Felix Jury</b>		99.99
Enormous, superb flowers open red and turn rosy pink. A spectacular sight in early spring when the compact tree will be covered in hundreds of blooms. The flowers have the added bonus of being highly fragrant. 5x3m.		
<b>Magnolia denudate Gere</b>		79.99
Late flowering selection of the species. Pure white flowers on small to medium sized upright tree. 4m.		

	Grade	Price
<b>Magnolia Honey Tulip</b> Another drop dead gorgeous hybrid from the Jury breeding programme. Large rounded goblet shaped blooms in a soft shade of honey yellow. The petals are of good substance and the flowers appear early spring on bare branches. Plant in a sheltered position in acid soil for best results. 6x4m.		99.99
<b>Magnolia Iolanthe</b> From early spring very large bowl shaped rose-pink blooms appear with a creamy white interior. A magnificent variety. 4x5m.	1m	79.99
<b>Magnolia Koban Dori</b> Beautiful yellow blooms, flowers appear with foliage smaller growing than other yellow varieties. 4x2.5m.	.75m	79.99
<b>Magnolia Old Port</b> Blooms are a very dark wine-purple with the inner surfaces off white. Cup shaped 12cm blooms have a light fruity fragrance. Multi-branched. 3-4m.		79.99
<b>Magnolia Red As</b> A smaller growing specimen that flowers heavily at a young age. Glorious goblet-shaped darkish purpley-red flowers. 2-3m.	.75m	79.99
<b>Magnolia Royal Purple</b> A very beautiful narrow upright tree with mid-sized blooms of a very bright royal purple. Ideal for small gardens. 2m.	1m	79.99
<b>Magnolia Sentry</b> A hardy, small, deciduous tree. Pink purple flowers are tulip shaped and scented. Very narrow columnar growth, so ideal for small gardens or an area where you want height in the garden but not a spreading habit. Prefers moist, fertile soil which is free draining and position in the garden which gets sun for at least half the day. 3.5x1m.	1m	79.99
<b>Magnolia Stellata 'Royal Star'</b> Produces masses of large, icy white starry flowers. Stronger growing than M. stellata. 2.5x2.5m.	.5m	79.99
<b>Magnolia Summer Magic</b> Summer Magic has been bred by Vance Hooper in Taranaki and is described as the having elegant narrow healthy foliage and is almost willow like when it's not in flower. These trees have been admired for their foliage alone when not in flower. Magnolia Summer Magic is the best Summer flowering Magnolia that we've seen and can be expected to grow quite slender and tall. 4x1.8m.		79.99
<b>Magnolia Vulcan</b> The best of the best! Arguable the most stunning Magnolia bred to date. Opulent, deep magenta blooms up to 25cm across. A good sized compact tree, suitable for smaller gardens. May take two or three years for the flowers to develop true size and colour. 6x4m.	1m	79.99
<b>Magnolia Stellata Waterlily</b> Vigorous medium sized compact, densely branched shrub. Flowers are semi-double, many petalled and very large in size. Flowers in a profusion of palest pink buds opening to glittering white starry blooms, pink on the outer petals. 2x2m.	.5m	79.99

	Grade	Price
<b>MALUS - ORNAMENTAL CRAB APPLES</b>		
<b>Malus Arrow Gold</b> Breed in Queenstown. Large, clear light yellow fruit on horizontal branches create a spectacular display from autumn into winter. Hardy. 3x2.5m.	1.5m	89.99
<b>Malus Ballerina</b> An outstanding flowering Apple. In September bunches of red buds open to large frilly double pink blossoms. Prune after flowering. Very free flowering. 4x2m.	1m	79.99
<b>Malus coronaria Charlottae</b> Large leaves which colour richly in the autumn. Flowers large, semi-double shell pink. Green fruits. 2.5x2m.		89.99
<b>Malus Ellerslie - Standard</b> A true weeper on a 1.5m standard. Dark red buds open to soft crimson flowers with bronze red foliage. The full spreading weeping habit bears an abundance of small reddish fruits from late summer until well into winter.	1.5m std	89.99
<b>Malus Gorgeous</b> Very popular Crab Apple. Small deep crimson fruits weigh down the branches in autumn and winter. An excellent culinary variety. Pearly white blossom in spring. One of the best fruiting crabs. 2.5x2m.	1.5m	79.99
<b>Malus Ioensis Plena - Betchels Crab</b> Beautiful large double flowers in its third year. Pink buds open to palest pink blossoms. Very fine autumn tones of orange and red. 3x2m.	1.5m std	89.99
	1.7m std	99.99
<b>Malus Jack Humm</b> Large brilliant red crab apples flushed yellow and orange give a magnificent display right through winter. Great for making jelly. 4x3m.	1m	79.99
<b>Malus Jelly King</b> Pink buds opening to pure white flowers late season on a tall upright tree. The fruit are 3cm round, orange yellow overlaid with medium red. Fantastic for jelly and the birds leave the fruit alone till late autumn. 3x2.5m.	1.5m	79.99
<b>Malus Red Jade</b> Gracefully cascading branches covered in autumn with small round brilliant red fruit. Excellent fruiting dwarf weeping tree. 2x2m.	1.7m std	99.99
<b>Malus Snowbright</b> Snow white dainty flowers opening from pink streaked buds in spring to bright orange red berries in the autumn. Semi weeping bush. High disease resistance. 3-4x3m.	1.5m	79.99
<b>Malus Tschonoskii</b> Malus tschonoskii is a beautiful, pyramidal grower with spring leaves that have a silver-white, felted appearance. 6x4m.	1m	79.99
<b>Malus Wright's Scarlet</b> A spectacular fruiting crabapple with large, crimson-red fruit in autumn. White blossoms in spring. Forms a spreading canopy of branches. Yellow autumn leaves. 4x3m.	1.2m	79.99

	Grade	Price
<b>MELIA</b>		
<b>Azedarach</b>		
Indian Bead Tree – Pale lilac flowers followed by beautiful shiny compound leaves that are remarkably tolerant to wind. Splendid avenue or specimen tree. 7x5m.		69.99
<b>NYSSA - TUPELO</b>		
<b>Nyssa sylvatica</b>	1.2m	74.99
Spectacular autumn foliage, vivid shade of scarlet-orange. Hardy and withstands wet soil. 6x4m.		
<b>PAULOWNIA</b>		
<b>Paulownia Tomentosa - Japanese Imperial Tree</b>	2m	79.99
Large lilac trumpets in upright heads, mid-spring. 12x12m.		
<b>PLATANUS</b>		
Amongst the most important of trees in the world's big cities – able to survive extreme conditions, including pollution, poor soils, tar-sealed roots, and lack of moisture. They form magnificent maple-like leaves, with scaling bark and large long stalked leaves.		
<b>Platanus acerifolia (London Plane)</b>		
A very handsome large tree. Withstands heavy pruning making it a suitable avenue or shade tree. 8x6m.		69.99
<b>POPULUS – POPLAR</b>		
<b>Crow's Nest</b>		
A fast growing, narrowly columnar deciduous tree. Bright yellow autumn colour is stunning. Replaces the old rust susceptible Lombardy poplar. Excellent shelterbelt, screen or erosion control tree. 20x3m.		39.99
<b>Kawa</b>		
Vibrant yellow foliage in autumn. Resistant to both possum damage and rust. Height after 5 years is 7m Maturity 30m.		39.99
<b>PRUNUS – FLOWERING CHERRIES</b>		
<b>Prunus yedoensis Awanui</b>		
Masses of pale shell pink large single blossoms in mid spring. The horizontal branches make an excellent shade tree. 6x6m.	1.5m std	89.99
	1.8m std	99.99
<b>Prunus campanulata Felix Jury</b>		
A special selection producing large very deep claret red blossom in early spring. Very popular with Tui's and Waxeyes. Upright habit. 5x3m.	1.8m std	89.99
<b>Prunus Hilleri Spire</b>		
Prunus x hillieri 'Spire' has a densely-branched, narrow, upright form with smaller leaves. Its green leaves turn red and orange in autumn, and it becomes a cloud of dainty, white to soft-pink blossoms in early-spring. Prunus x hillieri 'Spire' is great for narrow spaces and lining driveways, and it makes an excellent street tree. 6x2m.	1.5m	89.99
<b>Prunus Jim's Delight</b>		
Hardy. Flowers early spring, warm pink blossoms on medium length pedicel clothe the branches in the first year. Heavier flowering on 2yr wood. Dark green foliage. Compact small deciduous tree. 3 x 2m, in 10 yrs.	1-1.2m	74.99

	Grade	Price
<b>Prunus campanulata Superba</b> The brightest coloured and earliest blooming of all cherries, with its masses of claret red bells smothering the branches in August. Very popular with Tui and Wax eyes. 5x3m.	2m	79.99
<b>Prunus serrulata Shimidsu Sakura</b> Large semi double flowers, pink in bud, opening palest pink, fading to pure snow white. 4x5m.	1.8m std	99.99
<b>Prunus serrulata Shirotae - Mt Fuji</b> A very beautiful Cherry. Large single semi-double snow white flowers bursting from the soft young green foliage in long dropping clusters. A vigorous tree with wide spreading branches. 4x5m.	1.5m std 1.8m std	89.99 99.99
<b>Prunus Spinosa</b> Prunus spinosa, called blackthorn or sloe, is a species of flowering plant in the rose family Rosaceae. It is native to Europe, western Asia, and locally in northwest Africa. It is also locally naturalised in New Zealand, Tasmania and eastern North America. The fruits have been used to make sloe gin in Britain, and the wood used for making walking sticks or the shillelagh by the Irish. 4x3m.	1m	74.99
<b>FLOWERING WEEPING CHERRIES</b>		
<b>Prunus subhirtella Falling Snow</b> A pale pink form suitable for warmer areas. Slender arching gracefully pendant branches clothed in pearly-white blossom mid-spring. 2.5x2m.	1.5m std 1.8m std 2m	89.99 99.99 99.99
<b>Prunus subhirtella Pendula Rosea</b> The weeping Rosebud Cherry of Japan. Slender arching and gracefully pendant branches. Dainty single pink blossom. 2.5x2m.	1m std 1.8m std 2m	89.99 99.99 99.99
<b>Prunus Kiku-Shidare Sakura</b> Beautiful spring display of bright rose-pink fully double frilled flowers in dense clusters on steeply pendulous branches which weep gracefully to the ground. 2.5x2m.	1.8m std	99.99
<b>PYRUS - ORNAMENTAL PEAR</b>		
<b>Pyrus betulifolia Autumn Leaves</b> Graceful, slender smaller tree with weeping branches. Attractive shimmering leaves with excellent autumn colourings. Ideal specimen tree and also for lining driveways. 4x3m	1.5m std 1.8m std	99.99 99.99
